P. E. Society's Profile

Progressive Education Society is one of the leading educational institutions in Maharashtra. P. E. Society was founded by a well-known and dedicated teacher Late Shankarraoji Kanitkar, along with his colleagues in the year 1934. The team of dedicated teachers with their untiring efforts and sacrifice has built up a reputation of all its institutions over a period of time. The schools, colleges, management and computer institutes run by the Society have earned a reputation as institutions imparting quality education all over Maharashtra.

P. E. Society runs 58 educational institutions, which include Pre-Primary, Primary, Secondary, Higher Secondary schools and Arts, Science and Commerce College, Engineering College, College of Pharmacy, Institute of Management, Institute of Computer Science, Information Technology Center, and Law College etc. Since 1985, P. E. Society has been taking pioneering efforts in establishing higher and technical educational institutions under the dynamic leadership of its Chairman, Dr. Gajanan R. Ekbote, a well-known surgeon and member of Senate of the Savitribai Phule Pune University. He has been appointed as U. G. C. Nominee on University of Health Sciences, West Bengal & also on National Institute of Technology, Surathkhal, Karnataka. He has been appointed as a member of Consultants group on 'School Education' and 'Teachers' Education', Planning Commission, Govt. of India, New Delhi. He is a member of Senate, Academic Council and Management Council of MUHS, Nasik.

The institutions of P. E. Society are progressing remarkably and making their mark in the field of education. In this context, the era from 1886 till today is characterized as an era of exponential growth and academic development.

Situated in the heart of Pune, Modern College of Arts, science and commerce (Autonomous) is one of the best colleges. College has renowned faculties who are experts in their particular domain. Teachers are very much helpful and well qualified and also very experienced and knowledgeable. Practical experiences are provided by the college which helped us to be ready for the industry. The specializations offered in BBA are HR, Marketing and Finance.

The resources are readily available to the students of our college. The library is good, books are easily accessible. Faculties of the college are trained in helping students to explore most of

Anubhaw Kumar, TYBBA (Finance)

Modern College of Arts, Commerce, & Science, Business Administration Campus has provided me with a lot of knowledge, practical experience, amazing mentors, and much more. The college has a very supportive and helpful staff and a great environment for one's personality to develop. The best part for me about this college is its teachers. The teaching staff is so helpful, kind and supportive they have always helped me overcome any academic as well as personal difficulties. I have never experienced such a beautiful relationship of a teacher and a student and that's just amazing. The infrastructure of the college is really good, it has a cultural hall, computer lab, spacious classrooms with the digital learning aid, a library and also a gym in the sports department.

I am a International Athlete and for me my sport has always been a priority and the college has always supported me in all my sports events and help me achieve more.

Mrunal Sawant, TYBBA (Marketing)

This is Ahmad Hamed Totakhil from Afghanistan, student of TY BBA "Modern college of art, science and commerce"

I had a great journey and learning experience with modern college. In one word I would simply say perfect. All our teaching staff was great and friendly with us. They always helped me every time during my studies. The office staff and literary staff in the college is strongly cooperative and helpful. In the duration of these three years, Classrooms are clean and well maintained. Our grievances are redressed, problems are solved well in time. Continuous efforts are taken by the college to improve the quality of teaching and learning. Our college promotes exchange internship and programmes for providing new opportunities to students. In this three-year journey I learned a lot of things from my college and we got a

lot of experiences from our college. Our all-college staff behave with us like guests. We never felt that we came from another region. This gives us feeling that India is our second home. I am from neighboring country Afghanistan. I am proud of pursuing my bachelor degree in Pune at modern college. I feel great and proud that I shared my college experience with you all. At the end I want to thank all of my Respected teachers and college staff, Respected Principle and Respected Vice principle of modern college. I strongly feel proud that I finished this chapter of my life with modern college. This college gives us the clear explanation that India is second home for all students who come from abroad for studies.

Long live to India and Afghanistan brotherhood

Ahmad Hamed Totakhil, TYBBA (HR)

My journey of graduation began three years back in 2018. Though I joined the college late, I didn't find any difficulty in the course. The credit for this goes to my professors. They taught me in the easiest and most understandable manner. In the complete three years of my college life my experience was simply amazing. Each and every faculty in the college is extremely cooperative and supportive. All the teaching and non-teaching staff is always there to help you out. The teachers are always there to solve your doubts and queries. Also, the teachers are friendly as well as strict whenever necessary. Along with studies I also enjoyed my college days by taking part in extra curricular activities like street plays, Aarohan, Freshers party and organizing farewell for our seniors. In short, I will say that I am very lucky to be a student of such a renowned college. Thank you Modern College BBA.

Omkar Patole, TYBBA (Marketing)

I have always felt that the graduation is one of the most important phases for a student. A student needs to improve himself not only in academics but also as an individual and that is why it is vital to choose an institution which fosters all-round development of the students. And in that case I am really grateful to Modern College BBA (IB) Dept. for providing me the necessary platform to improve my knowledge as well as skills. Along with the lectures the activities like classroom presentations, IB Exhibition, Aarohan, etc provide numerous opportunities for students to develop social and managerial skills. The faculty

members have always been supportive and have inspired me to keep developing my personality. I would always be grateful towards them for instilling confidence and self-belief in me and I'll always be proud of being a 'Modernite'!

- **Abhishek Anant Bhope**, TY BBA (IB)

Modern college has helped me evolve as a student and demonstrate what I am really capable of. During my entire course I was always assured that if I came across a hard problem that I couldn't solve myself, I have a teacher I can go to and get help from. College had made sure that we always had the best computer laboratories for our practical's, and teachers would encourage us to stay back and practice if they ever felt any one of us wasn't performing up to our potential and now that I look back, I know they were right.

Being an avid reader, I would always want to read a new book, learn something new and it would blow my mind every time how I could never come up with a topic that our library didn't have a couple of books on. The classroom experience is something I don't think I can find anywhere else now, the energy teachers carried into every lecture, their attention to every minor detail, and how every one of us could participate in class on some level. Extra-curricular activities would be going on all year long and to be telling the truth, I would never be as confident as I am today if it wasn't for those experiences. College is supposed to be one of the most important experiences of life, and I'm proud that mine was out of the world and I'd forever be nostalgic about it.

- **Abhishek Vyas**, TY BBA(CA)

Modern College is a place of learning, fun, culture, lore and life preaching activities. Three years of academics in this college has been a wonderful journey for me.

The staff, both teaching as well as non-teaching are very helpful and friendly. College library has all sort of reference books and reading materials for all the curriculums. The computer labs are spacious with skilled lab assistants. Modern college not only promotes education but also encourages students to take part in the extra-curricular activities, sports meet and other social-awareness programs.

Third year students also participate in placement related activities as many companies visit our college for campus recruitment. I thank this institute for boosting my self esteem and encouraging more students like me in excelling the journey ahead.

- **Aniket Ipte**, TYBBA(CA)

College life is an exceptionally remarkable time in a person's life and everyone should enjoy it to the fullest. Modern college has taught me many things and has strengthened my confidence to withstand any challenges or struggles in the future. Rather than focusing just on academics we were encouraged to participate in other activities and socialise as much as possible. The college environment is pleasant and it kept us motivated all the time. Furthermore, the guidance provided by the college staff helped us at every turn of our journey. Throughout our course, practicals were the most intriguing part and we were guided in the best way possible to build our practical skills. It is all these things that has helped me in my overall development. I am truly gratified to be a part of Modern College and will surely reflect their valuable teachings in my future endeavours.

- **Hritika Koli**, TYBBA(CA)

I feel honored for having been part of this renowned institute. What makes Modern College the best institute is, qualified & experienced teachers college has; all the teachers here are very easy going, warm, knowledgeable & supportive. In the final year of graduation many MNCs approach college for placement drive and I want to thank Prof. Gauri Khire (placement coordinator) for providing us with her valuable guidance and encouragement and solving our doubts throughout the placement process. Coming towards non-teaching staff & college management; the entire non-teaching staff and college management is always there to help us resolve all kinds of problems. Modern College not only promotes classroom education but also encourages students participate in various activities like QH learn and earn program or be it SIH etc. also the entertainment for every individual is taken care of by organizing college fest - AAROHAN, which brings the happiness all together for a whole week. Cherry on the cake is infrastructure & facilities of college, the college campus might be little small but digital classrooms, AC labs, comfortable benches, keep students at comfort which make students concentrate in learning. At last I want to extend my utmost gratitude towards vice-principal sir, all the teachers & each one of all who enhanced my knowledge, skills & in general made me a better person in these three years of my graduation. Always thankful and grateful..!!!

- **Tanvi Kulkarni** TYBBA(CA)

It is our pleasure to welcome you to Modern College Shivajinagar, Pune 5. The college provides courses in the faculties of Arts, Commerce & Science leading up to bachelor's degrees and post graduate degree i.e. up to B.A., B.Com., B.Sc., B.Sc (Computer Science), B.B.A., B.BA(C.A.), M.A., M.Com., M.Com.(E-Commerce), M.Sc., M.Sc.(Computer Science), M.C.A.

P.E.S's Modern College of Arts, Science & Commerce (Business Administration Campus) was established in June, 2007. Business Administration Campus started with BBA and BBA(CA)

courses affiliated to Savitribai Phule Pune University with the sanctioning of Graduation in Commerce from June, 2008. In a short span of eight years, Business Administration Campus has created its own niche in the society with quality education, corporate assignments and personal counselling. Our motto being "Brand to reckon with", everyone associated with Business Administration Campus feels proud for the association.

Our College is re-accredited with 'A+' Grade by NAAC, Bangalore and University Grant Commission, New Delhi bestowed 'College with Potential for Excellence' status. Recently our college is awarded with 'STAR COLLEGE' status by Department of Bio Technology, Government of India.

Dr. R. S. Zunjarrao

*Principal,
Modern College
Shivajinagar, Pune 5*

Our young, experienced and enthusiastic team of teachers is always keen to help and guide the students to achieve the highest standard of performance. They are well qualified both in academics and practical terms. This obviously ensures smooth and efficient learning environment. We are sure that you will certainly enjoy the atmosphere of the college and will keep up the glorious tradition of the college.

We expect all our students to have a high quality experience and skills while studying with us at Modern College. For that, we are committed to provide our learning community the best to fulfill the aspirations and goals of their life.

We encourage our students to realize their potential and make themselves equipped in all ways to face the challenges of the present competitive world.

The brilliant past students of this college are working at higher positions in various fields like Science and Technology, Research, Business, Banking, Industry, Education, Engineering, Medicine and administrative services, etc. They often visit the college to encourage, help and guide the present students.

In fact, I am very honored to be the captain of Modern College, the great learning ship, which is global in outlook and cosmopolitan in character.

With regards.

Dr. R. S. Zunjarrao

Principal, Modern College, Shivajinagar, Pune 5

Dr. R. S. Zunjarrao has been awarded the Best principal Award (Urban Area) by the Savitribai Phule Pune University in 2014

Modern College of Arts, Science and Commerce, Shivajinagar, Pune 5 (Autonomous)

Mission Statement

To create multidisciplinary best citizens to suit the local, national & international needs having scientific temperament, moral & ethical values and multifaceted, proactive personality by providing excellent education.

- Re-accredited by NAAC, Bangalore with 'A+' Grade
- College with Potential for Excellence" status by U. G. C., New Delhi
- 'Best Sports College Award' by Savitribai Phule Pune University

Modern College of Arts, Science and Commerce was founded by Progressive Education Society, in 1970. The college is affiliated to Savitribai Phule Pune University. The college provides various Academic amenities so as to attain Bachelor's and Master's degree in the field of Arts, Science, Commerce, Computer Science, Computer Application and Business Administration. The college is a reputed educational institution, which has been known for producing outstanding students who take on different careers, as per their academic merit, successfully in the society.

The college not only ensures academic development of the students but also provides them with opportunities to prove themselves by means of extra-curricular and co-curricular activities. Moreover, the college has made a name for itself in the field of Sports. It possesses a well-equipped gymnasium from which the students are benefitted. The Arts Circle of the college is working continuously towards promotion of cultural activities. The Career Guidance Centre makes its presence felt by providing the right amount of necessary information and guidance to the students as and when required. The past record of the college provides us with the evidence of how the college has firmly established itself as a 'Modern' and 'Progressive' educational institution. The college is re-accredited with 'A+' grade by NAAC, Bangalore. University Grants Commission has recently bestowed "College with Potential for Excellence" status upon the college. Recently our college was awarded 'STAR COLLEGE' status by Department of Bio Technology, Government of India. Healthy and stress free environment, harmonious student-faculty communication, easy and immediate approach to the principal and

faculty, young, dynamic and knowledgeable computer staff, corporate assignments, well-furnished classrooms, modern facilities, developing library and many more emphasize the college motto.

The young and highly qualified team of faculty members spare no efforts to keep the students well informed and keep updating their knowledge. The students are also reciprocating by their high achievements in academic performance. A large no of students are getting excellent placements in different parts of the country and also overseas. Every year several students are also selected in reputed foreign universities for higher studies.

CO-CURRICULAR ACTIVITIES

Co-curricular Activities.

- College gives immense scope to its students for their all round development other than academics. Apart from conducting series of seminars and guest lectures on varied topics giving practical exposure to our students, we also conduct a variety of managerial, cultural and social events.
- The college also initiated the Parents - Teacher's Meet for BBA and BBA (CA) students, so that parents and teachers can jointly contribute towards the overall development of the children.
- Various socially relevant programmes are also organized wherein students get an opportunity to interact with various NGO's viz. the Blind School, Old age homes etc. and learn about the social dilemmas and how as a youth they need to be responsive and responsible towards eliminating social evils like superstition, pollution, drugs, etc.
- Blood donation camp was also organized thrice in the college.
- Annual college fest "Aarohan : Exploring the limitless talent" for students is organized every year showcasing the latent talent of

our students in the form of various competitions and an art & craft exhibition. Competitions like quiz, debate, Power Point presentation, case study, creative writing, rangoli, mehendi, face / mask/ t-shirt painting, photography, poster making, treasure hunt, mad ads, etc. are some of the show stoppers which help in bringing out best qualities of our students other than their academic progress.

- Art and craft exhibition is a platform organized by the Art Cell where students and the teachers put into display their creative pursuits in the form of paintings, drawings, sketches, pottery making, photographs, etc.
- We at Modern firmly believe that "education that teaches the mind but not the limbs is doubted to be education at all." Hence the Dept. of BBA and BBA(CA) regularly conduct various sports related activities and competitions, both indoors and outdoors, viz. chess, table tennis, carrom, basketball, volleyball, handball, badminton, cricket, etc. for mental and physical health and well being of our students.

Academic year 2020-21 began with a host of activities which are listed as follows:

Aarohan:

Aarohan - Exploring Limitless talent, the cultural festival of the college was organized by and for the Business Administration

Campus students. This year Aarohan was a 3 days cultural festival where a platform was provided to the students to showcase their cultural, managerial and sports skills. The event was inaugurated on 13th of February, in the presence of Dr. R.S. Zunjarrao (Principal Modern college of Arts Science and Commerce), Dr. M.D Alandikar (Vice Principal, Business Administration Campus) and the Chief guest Mr. Abhijit Ravindra Dhondphale (World renowned sculptor). The objective of Organising Aarohan is to provide a creative platform to the students to showcase their kaleidoscopic talents. More than 1500 students participated in the 18 events organized in Aarohan. The list of Aarohan Events includes Box Cricket, Tape a Tale, PPT Presentation, Black out Coding, Best Manager, Minute To Win It, Tug Of War, Football, Table Tennis, Cooking Without Fire, Debate, Treasure Hunt, Mehendi, Quiz, IPL Auction, Badminton, Traditional Day

about business opportunities. The interaction was held with few role models Entrepreneur to motivate the students.

Industrial Visit Report

Business Exposure (406) is one of the subjects in the syllabus of SY BBA (2013 pattern) as per SPPU. Under this subject, every student is expected to visit minimum four companies and prepare a report on the same. The basic objective of this subject is to provide a practical perspective to the students of various types of business organizations. This year, visits were scheduled on 20th, 21st and 22th January 2020 including ChitaleBandhuMithaiwale (KhedShivapur), Tria Industries LLP, SantTukaramSahakariSakharKarkhana, Parle G.

MS Office Certification Programme

With reference to MOU between Modern College of Arts, Science & Commerce, (Autonomous), Shivajinagar, Pune 05, Business Administration Campus and Knowledge Solutions, India (Microsoft authorised education partner) interested students of BBA enrolled for Advance Excel course. Orientation programme and thirty hours of training session helped students in learning professional Excel and PowerPoint skills.

Social Week

P.E. Society's Modern College of Arts, Science & Commerce (Autonomous) Business Administration Campus, Shivajinagar, PUNE 05 had organized Social Week of the academic year 2019-20 from 8th January 2020 to 11th January 2020. The basic purpose of organizing social week is to create awareness in students about their social responsibility and to make them sensible and responsible citizens. This year's social week highlighted pivotal and noteworthy topics such as Mental Health and Family Wellness, Women's Safety and Self Defence, Value Education, Issues related to Social Networking. Chief Guest of the Social Week was Mrs. Sunita Pawar, Headmistress, P.E. S's Girls High School.

Entrepreneurship Development Cell

The Entrepreneurship Awareness Camp was conducted by Maharashtra Centre for Entrepreneurship Development in collaboration with Modern College of Arts, Science and Commerce (Self Financed Department of Business Administration). The camp was inaugurated in the presence of Mr. Suresh B. Umap (Regional officer MCED), Mr. Madankumar Shelke (Project Officer MCED) and Prof. Dr. M.D Alandikar (Vice Principal, Modern College of Arts, Science and Commerce, Business administration campus). The ED camp is being organised since the last two years in our campus. The objective of the workshop was to create awareness among the students about entrepreneurship as a career choice and inform them
